Organization Application

If you provide services in Greater Coeur d'Alene, Idaho and need operational assistance due to conditions caused directly by the COVID-19 pandemic, your organization is eligible for mini-grants from the CDA COVID-19 Fund.

Operating grants will be awarded to organizations whose operations in support of vulnerable populations and those affected by the pandemic have been stressed by the outbreak. We expect the needs generated by this pandemic will exceed the available funds.

Organizations may apply for more than one grant during the calendar year, as this fund is intended to be responsive to the ongoing needs of the community. Grants will not be made to individuals.

The committee will consider grant requests to:

- Assist organizations serving vulnerable populations with basic needs (food, housing, living expenses, transportation costs, etc.) in the following areas:
 - Physically and/or financially vulnerable seniors
 - Child Care providers
 - Service industry workers
 - Low-moderate income families with K-12 children

CDA COVID-19 Relief Fund grant applications can be submitted at any time while funds are available. Applications are reviewed every Thursday at 3PM. Grantmaking decisions will be made within one week of receipt of the proposal.

UWNI does not support organizations that discriminate in their employment practices, volunteer opportunities, or delivery of programs and services on the basis of race, religion, gender, national origin, age, disability, veteran status, marital status, sexual orientation, or any other characteristics protected by law.

Organizations will be served on a first come, first served basis. You may email or fax your forms to the following:
